

## Annual Meeting 2007

Nashville, TN

AFGE Local 3599's Officers, Stewards, and Alternate Stewards met in Nashville, Tennessee on August 11, 2007. Our special guest was National Council President Gabrielle Martin, who also assisted with the training portion of the meeting. Gabrielle spoke on the topic of the new appraisal system. Our Chief Steward, Wendell "Mark" Sims, also provided ethics training. Local 3599 presented Mark with a beautiful cherry wood desk

memento as a departing gift, to show our appreciation for his hard work and friendship. Regular business of the Local was conducted including adoption of the minutes, budget, President's report, and Chief Steward's Report. In their free time, the group shared a fun evening at B.B. King's Jazz Club.
