

Annual Meeting 2009

Birmingham, AL

AFGE Local 3599 held its annual meeting and training in Birmingham from September 11-12, 2009. Officers trained stewards and alternates on position classification issues and unfair labor practices. EEOC's Chief Mediation Officer educated participants on the mediation process and the agency's internal RESOLVE program.

Officers, stewards, and alternates conducted the business of the Local, including approving the budget, adopting the reports of the President and Chief Steward. Recruiting new membership, legislative action, and grievance handling of various office issues were also discussed. Several new stewards and alternates were in attendance. After adjournment, attendees enjoyed time catching up at a barbeque Saturday evening, swapping office concerns, and exchanging advice.
