

## Atlanta District Office-April 2013

On March 20, 2013, Atlanta District Office Union members elected a new representational team by acclamation. Atlanta's new Steward is Robyn Conley. Atlanta's new Alternate Steward is Laurence Knight. Both are investigators. They are off to an energetic start, signing up new members and freshening up the Union bulletin board. We wish them every success.

At the same meeting we bid farewell and thank you to long time Atlanta Steward Clinton Smith, who decided he wished to step down at this time.

Thank you Clint for all your hard work over the years!
